Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in July 1998 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization, or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

In 2017, L.A. Works will create the city's first ever Pop-Up Service Event, bringing together corporate and community volunteers to focus on a pressing local issue at a festive pop-up event. Corporate and community volunteers will participate in action, advocacy, and assembly at a single site in Griffith Park, focusing on the important issue of family and youth homelessness.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

The event itself will directly benefit homeless individuals and nonprofit agencies throughout L.A. We will attract hundreds of community volunteers with targeted recruitment in the Silverlake area.

Because the cost of such an event is high and it impacts several communities, we have sought support from several sources - City Council Districts, Corporate Sponsors, and In-Kind Sponsors.

With that said, we are reaching out to the Silverlake Neighborhood Council to participate specifically to support in covering the cost of 4 tents (20'x80') plus delivery, set up and break down. Since this event will be held outside in August, offering shade for the community volunteers, speakers, nonprofit agencies will be crucial to providing comfort and contribute to the neighborhood feel of the event.
