

SLHC Minutes – 12-07-17

The meeting was called to order at 6:30pm at the Silver Lake Library community room. Present were Michael Masterson and Cheryl Revkin (Co-chairs), Betsy Isroelit, Jenifer Palmer-Lacy, Ron Van Ammers and Mark Simon

The minutes from October were approved.

Public Comment:

Jenifer reported that there will be a Winter Solstice Event at Triangle Plaza on Dec 21, 2017 from 2:00 – 5:00 pm. It will be a talent show, open to all people. Arts and Culture is sponsoring it.

Old Business:

We will not pursue the Silver Lake Lounge interview.

Mark Simon will call Susan Simpson to set up an initial interview for our documentary about the construction of three free mini libraries that will have peepholes with scenes from Silver Lake history. The project is held up a bit b/c the city has to approve the locations.

We will proceed with this initial interview.

Michael will follow up with Salome Jens, an actress and longtime Silver Lake resident. She has an acting studio Atwater.

New Business:

We are recommending three interviews to be featured in the SLNC newsletter for the next three months: Lance Alspaugh (Vista Theatre), Bea Gold (founder of the History Collective) and Wayne Johnson (Rockaway Records).

Michael set up our SLHC FB page. Kendra and he are the administrators. If we have information to post (hopefully something new every week), you can email Michael and/or Kendra.

Status of the master list: Ron and Marco need to communicate with each other. Ron may be leaving the committee and he's built a custom internal database that will need to be accessed. Ron feels that Marco has the same list and information as he has and there is no need to have two of them although they also need to make sure Ron has the David Ryu interview and Silver Lake Garden Club interviews.

We should all subscribe to our YouTube channel. Just go to <https://www.youtube.com/channel/UCVjME5ME1oBfOKRxvas9prg> and click on "Subscribe" so you'll be notified when Marco uploads new videos.

Adjournment: 7:30 PM

Next meeting: January 4, 2017
