## **A G E N D A**

The City's Neighborhood Council system enables civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, comprised of volunteer stakeholders who are devoted to the mission of improving our communities and bringing government closer to us.

The Committee does not take action on behalf of the full Neighborhood Council Board. It considers proposals and forwards Committee-approved recommendations as proposed motions to the full Board. The Board will consider the Committee's recommendations at a future public Board meeting and may take final action on the recommendations.
