Music Box Steps event coming up on Saturday, October 20th

Minutes from September were approved

New agenda Items:

1) We have arranged with Lisa Palombi to screen Jane Cantillon's film "The Other Side – A Queer History of LA) on December 1st (World Aids Day) at the library starting at 3:30 PM. The screening will be upstairs in the main library where the baby grand piano is so James Lent can play music he played in the piano bar before the film.

2) Mo has been made an admin for the SLHC Facebook page. She is anxious to post pic of Mike Woo interview (nice pic) and will post a pic from Music Box Steps and a new pic from our interview with Billy Kneel. Marco will provide the pictures. He will also give her a picture of Cheri's Silver Lake medallion to post.

Mo also will connect with Hannah Anderson from NC (through Betsy) about an Instagram account and future postings from our group and the NC in general. What Mo posts on FB can go to Instagram and Twitter.

3) Marco has posted Mike Woo and Cheri Gaulke to YouTube. John Fleck's extra footage from the Library event is not up yet.

4) We will interview Billy Kheel at his studio on Saturday. Debbie will be there. She did the camera work on Mike Woo and will do one camera at Billy's interview.

5) Tricia wants to interview Ryan Jarvis in the future.
