5. Motion to support Councilmember David Ryu's motion and 12 recommendations regarding Neighborhood Councils and approve the filing of a Community Impact Statement for Council File: 18-0467. Link to the motion: clkrep.lacity.org/onlinedocs/2018/18-0467_mot_05-25-2018.pdf - David moved, Barbara seconded; passed 3-0 to support Councilmember Ryu's motion and recommendations with these modifications:

#2 The Definition of Stakeholder in the By Laws of the Silver Lake Neighborhood Council can be used as a model. Further, that individual Neighborhood Councils (NC) have the option of additional clarification in their NC By Laws.

#3 Clarification is needed - that the election of Board Members to vacant seats be by election of the current Board Members.

#4 We are not in favor of the proposed one-time review process out of concern that it could take away some of the independence Neighborhood Councils are founded on. NCs want the best person for each Board position. We have concern that a requirement for stakeholder types could make difficult filling vacant positions. At the same time we strongly agree that all Neighborhood Councils should be guided to ensure diversity.

#5 We recommend a uniform age of 16 years keeping in mind that 18 years is a requirement for voting on support for projects applying for a conditional use permit to sell alcohol. We understand the significance of providing experience and participation in community issues and providing a focus on youth development. However, youth of a younger age do not have the capacity or the experience to vote on complex community matters.

#7 We are not in favor of rolling over funds from one fiscal year to the next. If NCs are aware of the needs in their community, they will spend all their \$42,000.

#8 We are not in favor of NCs accepting in-kind or monetary donations. This proposal would raise questions of equity among neighborhood councils. Also, there is the potential of ethical concerns such as contributions from developers seeking NC support for their projects.

6. REQUESTS/MOTIONS FOR FUTURE AGENDA ITEMS:

A. Election awareness campaign - partner with other organizations or NCs, Griffith Park Adult Community Center Group (GPACC), League of Women Voters, David Bonner from GPACC (Nina), confirm last day to register.

7. ADJOURNMENT 3:55 PM
