We would like to conduct an interview with Barry Milofsky, the architect of the library. We want to discuss how the library has changed over 10 years, how he sees it functioning and do a walking tour of the building possibly. Michael will talk to Erica about how and when this might take place. We would also like to interview Barbara Bestor, a famous architect whose office is on Hyperion. Cheryl will follow up with her once the Milofsky interview is defined. We might have a conversation with the two of them.

Meeting was adjourned at 7:30 PM

Our next meeting is Nov. 7 at 6:30 in the Community room. Our October meeting will be replaced by the Archives Bazaar.
