There will be a Mixville Heights walk this Sunday led by John Wingler and Lee Conger.

4. New Agenda Items:

Mary Ann Kuk still has not counted the old slides of Silver Lake. We need a count so we can budget their digitization for upload to the SLNC site.

Our June 6 Red Car event will be promoted on Instagram, the Library FB page and various fliers at the library. Mo will see to Instagram and FB.

Michael, Mo and Debbie will schedule a meeting with Marco to learn how to upload our interviews to Youtube, get the hard drive and other equipment. At this point Bob Lisauskas has the camera.
